* You can choose to keep these PD sessions private to your program; however, if you have less than 10 staff members attending a session, it will be opened to the public so other providers can register.

How to register for a training session:

- Login to the PD Registry to register for the virtual sessions: [PA-Keys-PD-Registry](#). Once logged in, click “Search Training Events,” type in the Event ID number and hit enter on your keyboard (or click the search button). The fee for each session is \$7 per attendee.
- Upon registering for a scale-specific PD (Infant CLASS, Toddler CLASS, Pre-K CLASS, K-3 CLASS, PAS, BAS), you will be provided with a book order flyer; directions about this are in the training event details. Follow the directions on the flyer and you will receive a free CLASS dimensions guide or PAS/BAS scale book to use during the training session and within your program.
